- iii. Transactions with related party will only be entered into after taking into account the pricing, quality, level of services and expertise and other related factors. The negotiated transaction prices will be determined by market forces and similar to those transactions prices with unrelated third parties.
- iv. Wherever possible, the Management will endeavour that at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities are used for comparison to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.
- v. Where quotation or comparative pricing from unrelated third parties cannot be obtained, the Management may rely on their knowledge in the prevailing industry norms bearing in mind the urgency and efficiency of services to be provided/received to ensure the RRPT are not detrimental to the Company.

3. RATIONALE FOR THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will enable TPCA to carry out the RRPT which are necessary for its day-to-day operations without the need of the Company to make frequent announcements to Bursa Securities or convene separate general meetings on each occasion to seek prior approval from its shareholders in pursuance of the Listing Requirements of Bursa Securities. This will substantially reduce expenses associated with the convening of such general meetings on an ad-hoc basis, improve administrative efficiency and allow resources and time to be channeled towards attaining other corporate objectives.

The RRPT are intended to meet the business needs of the Company at the best possible terms. By transacting with the Related Parties, the Company would have an advantage of familiarity with the background, financial well being and management of the Related Parties thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, the Company and the Related Parties have a good understanding of each other's business needs and expectations thus providing a platform where all parties can benefit from conducting the RRPT.

4. EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will not have any effect on the Company's share capital, shareholding structure, net assets, earnings and gearing. However, the RRPT form an integral part of TPC Group's day-to-day operations and hence, will contribute positively towards the financial performance of the Group.

5. APPROVALS REQUIRED

The Proposed Shareholders' Mandate is subject to the approval of the Company's shareholders at the forthcoming 18th AGM.
